

FANDANGO PUPPETS

How to Make Fandango Puppets

Making Fandango puppets is a fun and easy project you can create with household items and a little bit of imagination. Fandango puppets are paper bag puppets made out of anything you have around the house, from leftover yarn to office supplies. For this class we want you to make a fandango to depict the historical or classic identity of your culture. These should be fun, and not offensive in nature. Not everyone in Scotland plays bagpipes, but when you think of Scotland, bagpipes come to mind.

Things You'll Need:

- Paper lunch bags
- Glue and tape
- Craft supplies: yarn, ribbon, buttons, fabric
- Household items: noodles, sponges, twist ties
- Office supplies: pencils, sticky notes, paper, paper clips

Value: 25 points. There is no rubric for this project, but extra points can be achieved for making a fandango that rally stands out from the crowd.
