

# ROCK AND ROLL REVIEW

*(Or Rap, R&B, Hip-Hop, Country, Gospel, whatever.....)*

*Directions: Change the lyrics to one of your favorite popular songs (or Happy Birthday or Row, Row, Row Your Boat) to lyrics about the unit you are currently studying. You will create at least eight lines in the stanza and at least 4 different lines in the chorus. (Chorus cannot be same thing 4 times, add more stanza lines if this is not possible with your song) You must use at least FIVE terms from the study guide. No offensive language or suggestive lyrics (Don't use lyrics your sweet grandma would object to in this project) "Uhh's", "Yeah's", and "Na-Na, Na-Na's" do not count as lines in your song.*
